VOLUNTEERING

School Quizzers' Association Sri Lanka

September 2025 - Present

District Representative

Leo District 306 D7

July 2025 - June 2026

Social Services

Team Officer - Marketing and Digital Transformations Team

- Building on the strong administrative and technical foundation from my club years, I transitioned into a district leadership role as a Team Officer for the Marketing & Digital Transformations Team of the newly formed Leo District 306 D7. In this capacity, I took on the responsibility of spearheading the district's IT enablement, designing and managing our digital infrastructure from the ground up to support our new administrative boundaries. My primary focus was establishing a robust, professional digital footprint for the district. I completely took over and streamlined our social media operations, utilizing data-driven content strategies to maximize engagement and visibility across all platforms. Simultaneously, I engineered the district's official website, ensuring it served as a centralized, seamless hub for project archiving and other essential information about the district. Beyond core operations, I drove key educational and capacity-building initiatives, including the successful implementation and technical execution of the D7 Leadership Management System (LMS) to equip our members with modern management skills. In recognition of the strategic value, execution precision, and measurable impact brought to the district throughout the Leoistic year, I was honored with several major accolades at the Year-End Conference: - Winner – Most Outstanding Marketing & Digital Transformations Team Officer - 1st Runner-Up – Most Outstanding Leo Lion of the Leo District 306 D7 - District President's Special Appreciation – For outstanding execution as Chairperson of the Next Generation Prime Forum (NGP Forum) Phase II & Council Outing and the D7 LMS - District President's Appreciation Award These milestones reflect my dedication to moving past traditional volunteer frameworks by using technical optimization, rigorous project management, and structural innovation to "Forge the Future" of Leo District 306 D7.

Leo Lions Club of Colombo Uptown Eminence

July 2025 - June 2026

Social Services

Secretary

- As the Charter Secretary of the Leo Lions Club of Colombo Uptown Eminence (LLCCUE), I played a dual role in establishing the club's administrative foundation under Lions Clubs International, District 306 D7, while pioneering its end-to-end digital transformation. I was actively involved in the initial formation process, handling protocol documentation, district reporting, and core communications to ensure a seamless official chartering. During my tenure, I focused heavily on modernizing our operational framework and elevating our public visibility through digital innovation. I took full ownership of building our digital footprint from scratch, managing our brand identity across multiple touchpoints to ensure a highly professional and sophisticated presentation. Key Contributions & Technical Leadership: - Digital Innovation: Developed the club's official website from scratch, establishing a centralized, high-performance platform for project archiving, documentation, and public engagement. - Media & Communications: Conceptualized and managed the club's official newsletters, publications, and social media presence, while strictly maintaining high-quality standards for all public flyers and digital assets. - Administrative Engineering: Drafted and standardized all official club letters, board meeting minutes, and project reports, maintaining

Created using Resumonk - Online Resume Builder

flawless compliance with district expectations. My commitment to balancing administrative rigor with digital modernization significantly elevated the club's corporate standard during its foundational year. In recognition of these efforts, at the annual Lions District Convention, I was honored with the prestigious award for: Most Outstanding Club Secretary – Region 3

Ananda College Marine Association

July 2024 - July 2025

Environment

Secretary

- Joined the Ananda College Marine Association in 2023, coinciding with the reinitiation of the club after a period of inactivity. Appointed as Secretary for the 2024/25 term, and later continued into my third tenure as Secretary, I played a key leadership role in restructuring the Association's operations and strengthening its presence within and beyond the school. During my tenure, I helped conceptualize, coordinate, and execute a series of impactful projects that promoted marine education and environmental awareness, including: - Nautica'25 – Sri Lanka's first-ever school-level Marine Day, featuring lectures, exhibitions, and an awards ceremony. - Oceanix'24 – A large-scale beach cleanup in collaboration with the Ananda College Environmental Society, approved by the Coast Conservation Department. - Marine Lecture Series – Partnered with organizations like CINEC Maritime Campus and Oceanswell to deliver knowledge-driven sessions on marine navigation, oceanography, and conservation. - Certificate Course Initiative – Spearheaded the launch of a 3-day accredited certificate course in marine engineering and oceanography for school students. I also focused on rebuilding internal structure and communication through digital documentation, proposal writing, cross-club collaborations, and sponsor coordination, helping ACMA reach new milestones in school-level marine awareness.

Leo Club of Ananda College

July 2024 - June 2025

Social Services

Secretary

- I began my journey in the Leo Movement in 2020, joining the Leo Club of Ananda College with a strong desire to serve, grow, and lead. What started as a simple interest quickly evolved into a life-changing experience filled with opportunities to impact lives, develop leadership skills, and contribute meaningfully to the community. Over the years, I took on various responsibilities within the club, contributing to over 50+ service initiatives, and eventually being appointed as the Club Secretary for the 2024/25 Leoistic Year. In this role, I led a transformation in club administration by digitizing processes, ensuring timely reporting across MYLEO and Lion Portals, maintaining accurate documentation, and elevating transparency and collaboration through tools like Meta Business Suite and our club's official website. I also had the honor of contributing and maintaining the Ananda Leos App which was made with collaboration the collaboration of our ICT Society, launching our digital newsletter, and introducing club merchandise and branding strategies that boosted visibility and identity. As a result of my contributions, I was recognized at both district and multiple district levels: 1st Runner-Up - Digital Transformation Champion of Sri Lanka – Leo Multiple District 306 Winner - Most Outstanding Digital Transformation Champion – Leo District 306 C2 2nd Runners-Up - Best IT-enabled Leo Club in Sri Lanka – Leo Multiple District 306 Winner - Best IT-enabled Leo Club – Leo District 306 C2 1st Runners-Up - Best Project for Clean Water and Energy Conservation – Leo District 306 C2 District President's Appreciation Award Beyond my individual recognitions, I also served as Project Secretary for over 30 impactful initiatives, chaired multiple award-winning projects, and actively supported leadership development programs like the Leo Leadership Academy.

Ananda College Environmental Society

June 2024 - June 2025

Environment

Secretary

- My environmental journey began in 2016 as a member of the Primary Environmental Society, where I earned the Soba Medal under the National Environmental Pioneer Programme (NEPP). I continued this path by joining ACES in 2018, actively contributing as a Junior Environmental Pioneer and completing the Pioneer, Green, and Silver Medals under the NEPP. As Secretary, I took a leading role in revitalizing internal systems, introducing digital documentation for project tracking, enhancing transparency in project execution, and strengthening inter-club coordination. My work focused on: - Organizing grassroots initiatives and supporting youth-led conservation activities. - Mentoring junior members through orientation sessions and pioneer medal guidance. - Standardizing internal reports and compiling data for award submissions and national-level recognitions. - Collaborating with partner clubs to ensure consistent environmental messaging across multiple platforms. I am proud to have continued my decade-long commitment to environmental stewardship, blending experience with innovation to support ACES in nurturing the next generation of eco-conscious leaders.

ACICTS

May 2024 - May 2025

Science and Technology

Treasurer

- My journey with the Ananda College ICT Society began in 2018 as a junior member with a strong passion for innovation and collaboration. Over time, I grew through the ranks and currently serve as the Treasurer for the 2024/25 tenure, taking

Created using Resumonk - Online Resume Builder

responsibility for managing finances, ensuring transparency, and supporting operational strategy across all projects and events. During my tenure, I demonstrated exceptional commitment and strategic foresight, contributing significantly to the success of Pulz'24, Sri Lanka's largest school-based ICT event. I was actively involved in budgeting, sponsorship handling, vendor coordination, and logistics to ensure the event's seamless and impactful execution. I also contributed meaningfully to the planning and execution of several major projects organized by the society. I also supported initiatives to strengthen professional partnerships with leading tech institutions, streamline documentation and budget reporting processes, and provide guidance and mentorship to junior members of the society. Alongside these contributions, I was recognized as a Finalist in Google Code-in 2019 and emerged Winner of BITS 2020, achievements that reinforced my commitment to driving impact in the ICT space. Through my years of involvement, I have helped build a sustainable foundation for future leaders of the society while promoting innovation, skill development, and collaboration among our members.

Ananda College Scout Group

January 2024 - December 2024

Social Services

Assistant Troop Leader

- My journey with the Ananda College Scout Group began in 2014 as a Cub Scout, where I earned the Gold Star in 2016, the highest award attainable at the Cub level. In 2017, I transitioned into the Scout Troop, dedicating myself to the movement for over a decade. I progressed through various roles and responsibilities such as Assistant Patrol Leader, Senior Instructor, ultimately serving as the Assistant Troop Leader (ATL) in 2024. In this capacity, I took the lead in planning and conducting weekly scouting sessions, maintaining accurate records of attendance, scout rankings, and evaluations. I also mentored junior scouts, helping foster their growth and enthusiasm for the movement. As ATL, I played a major role in organizing Environment Day during Scout Week and supervising our troop's participation in the National Scout Relationship Month, where we were awarded Overall Champions at the National Level for achieving the highest collection in Sri Lanka. I also secured First Place in Overall Proficiency at the Senior Scouts Orientation Programme conducted by the Colombo District Scout Association — a milestone that reflects my commitment to excellence and leadership in the movement. Over the years, I have participated in 29 official camp nights, each contributing meaningfully to my personal development, resilience, and leadership skills. My dedication to scouting was ultimately recognized with the prestigious President's Scout Award, the highest honor in Sri Lankan Scouting. Scouting has been instrumental in shaping who I am today — instilling values of discipline, service, and teamwork that I carry into every other sphere of life.

Ananda College Quiz Club

August 2023 - August 2024

Education

Secretary

- As the Secretary of one of Sri Lanka's leading school-based quiz clubs, I led and supported a range of high-impact academic and extracurricular initiatives. I began my journey with the ACQC in 2018 as a passionate member and steadily advanced to a leadership role, contributing to the club's growth, visibility, and success. Key Contributions & Achievements: - Successfully coordinated and organized "Mind Probe 2023", the club's flagship inter-school quiz competition, with over 400 participants from 70+ schools islandwide—setting a new benchmark in school-based quizzing events. - Contributed to "Brainiac Blitz 2024", the club's collaborative national-level individual quiz competition with Mahamaya College, expanding inter-school relations and online outreach. - Oversaw and improved intra-school engagement through projects like Anada Nanesa, nurturing quizzing talent across junior and senior segments. - Led the ACQC Online Post Series, innovating the club's digital presence by creatively highlighting global observance days and knowledge-driven content. - Played a central role in project documentation and reporting, ensuring consistency, professionalism, and visibility in all club operations. Through this role, I developed and demonstrated strong skills in leadership, event management, strategic communication, documentation, and community collaboration—while empowering fellow students in academic excellence and critical thinking.

Ananda College Aeronautical Academy

June 2019 - March 2024

Science and Technology

Member

- Since joining AAAC in 2019, I have pursued my passion for aviation through active participation in weekly lectures, hands-on projects, and competitive events. Over the years, I have built and flown RC aircraft, enhanced my understanding of aviation and aerodynamics, and contributed to the Academy's mission of promoting aeronautical knowledge among students. I have represented AAAC in various competitions, achieving recognition for academic excellence and presentation skills, while also mentoring junior members and supporting flagship events. Key Achievements: - Best Aviator & Medal for Academic Excellence – Aerogene'20, Annual Aeronautical Day of Ananda College. - 1st Runners Up – Aeroguide'21 (Aviation Presentation Competition), leading Team Mike under the theme Aerial Refueling. - Built multiple RC aircraft as part of AAAC's practical training activities. - Became a Senior Member & Quiz Team Member in 2023, representing the club in aero quizzes. - Conducted lectures for junior members on aviation fundamentals. - Contributed to major club events including Aerogene'22 and AeroglideX. Through this journey, I have developed strong skills in research, technical communication, teamwork, and leadership, while deepening my expertise in aviation science and engineering.
